Wish Peter Jackson's new movie "They Shall Not Grow Old" was being televised as it is in U.K. today.

A powerful reminder of how terrible WWI really was, and what we asked of a generation of young men.

And should never ask again.

Imagine running an MCI on almost every other call in your 24-hour shift. That's what @dcfireems FF/PM @dinosaur\_young has been experiencing since this summer with polysubstance overdoses, often involving K2. What's the long term fix? @postlocal @MayorBowser @IAFF36

EMSWorld News @EMSWorldNews

Since July, #K2 #overdoses may constitute up to half of a @dcfireems 24-hour shift's call volume in some areas of D.C. To make matters worse, many of the incidents involve multiple patients overdosing at once. Read what this is like here: emsworld.com/article/122167...
